

Frontier Subsea is a locally owned and operated company based in Paradise, Newfoundland, Canada. We are comprised of skillful and problem-solving personnel experienced in the engineering, procurement, construction, installation and operations support of offshore / subsea installations.

With a strong work ethic, knowledge and local experience, Frontier Subsea provides practical, expedient and cost-effective solutions, delivered against a high standard of quality assurance and quality control.

We are currently seeking to fill the following position for our Client.

Field Engineer / Specialist

Duties:

These positions are offshore / vessel based on a rotational basis. Job duties may include the following:

- Oversight of daily project operations onboard marine vessel;
- Completion of daily progress reporting as required for project stakeholders;
- Technical assistance on maintenance, repair and operations of project equipment;
- Interface directly with onboard marine personnel;
- Oversight of 3rd party contractors in port and onboard vessel;
- Facilitation of risk assessments for project work scopes;
- Stewardship of change management program for project operations;
- Ensuring project documentation is prepared and issued in accordance with internal and Client requirements.

Qualifications:

- Bachelor's degree in Engineering, or Engineering Technology Diploma, or suitable academic credentials / combined work experience;
- Effective knowledge of MS office (Teams, Word, Excel, PowerPoint, Outlook);
- Strong organizational and time management skills with the ability to multi-task and prioritize duties;
- Possession of valid offshore certification (BST, medical, etc), and/or willingness to complete relevant training required for offshore travel/work.

Experience:

- Minimum 2-5 years' experience in marine construction operations;
- Demonstrated experience in subsea/marine construction, intervention & inspection;
- Familiar with use of industry codes and standards including DNV GL, API, ISO, etc.

*If you are an energetic person looking to join a fast-paced working environment in the energy resources / oil and gas industry, please submit your resume via e-mail to info@frontiersubsea.com by **Wednesday, April 13, 2022**. Frontier Subsea is an equal opportunity employer. We thank all applicants, but regretfully will only be contacting those selected for an interview.*
